

Vahagn Thomasian, Executive Vice President

With more than 20 years of experience, Mr. Vahagn Thomasian has performed numerous public works projects for the Los Angeles Unified School District, the City of Los Angeles, the Los Angeles Community College District, the City of Los Angeles Recreation and Parks, the City of Los Angeles Public Works Department, the City of Santa Monica, the County of Los Angeles, the City of Burbank, the City of Monrovia, the City of Glendale Department of Water and Power, the Mountain View School District, as well as countless private projects.

With a background in architecture, Mr. Thomasian has well-rounded knowledge of design and construction. As the Executive-in-Charge, it is his responsibility to provide leadership and oversight on all construction, project management and project administration activities associated with all projects. He provides operations oversight and direction for procedural and process, financial, subcontractor performance issues, constructability and technical as well as legal and liability issues. He is responsible for project reviews that include the project schedule, safety monitoring, quality of work, and quality of relationships between Owner, Subcontractor and Architect. He attends all regular Owner meetings, visits jobsites and closely monitors progress of projects. He assists the Project Manager and Project Superintendent with all issue resolutions and punch list completion.
